

Next Friday is Education Day in Virginia

ON THAT DAY The Times-Dispatch will print for the second time the largest volume of School and College advertising ever printed in an American daily newspaper. Such an issue is hardly possible for any other daily than The Times-Dispatch, as none other has given the same attention to the problems of education or more successfully fostered the institutions of learning in the sphere of its influence. The Schools, Colleges and Universities here represented are the pride of Virginia and North Carolina. A request to any of them will bring a catalogue and full information.

POST C, TRAVELERS, NOT IN POLITICS

Adopt Resolutions Designed to
Correct Report Alleged to
Have Been Circulated.

ASK TERMINAL FACILITIES

Virginia Passenger and Power
Company Petitioned for New
Passenger Station.

(Special to The Times-Dispatch.)
PETERSBURG, VA., July 13.—Post C.
of the Travelers' Protective Association
of America, adopted the following pre-
amble and resolution at a meeting last
night at the hall of the Chamber of
Commerce:

Whereas the report has been circu-
lated throughout the city of Petersburg
and the county of Dinwiddie that Post
C. of the T. P. Association of America
is in favor of, and is supporting with
its influence one of the candidates for
the Democratic nomination for State
Senate from the senatorial district
comprised of the cities of Petersburg and
the county of Dinwiddie;

Whereas any political question is
prohibited in our association, and that
no post shall take part in politics as
an organization; and

Whereas it is believed that this re-
port is calculated to do us association
much harm; therefore

Be it resolved, That Post C put itself
on record as not taking part in any
way in politics, either in this senatorial
district or elsewhere, as an organization,
and that the secretary be instructed
to place in both of the newspapers of
the city of Petersburg a statement to
that effect.

Terminal Facilities.

A resolution earnestly requesting the
Virginia Passenger and Power Company
to give Petersburg proper terminal fa-
cilities, and emphasizing the urgent
need of a more desirable passenger sta-
tion for the interurban line than the
most objectionable one near the corner
of Seaboard and Old Streets, was also
adopted.

Local interest in the contest for the
senatorial nomination is unabated, and
supporters of each candidate are wast-
ing no time.

Honor Dead Colleague.

NEWS GATHERED FROM SOUTHSIDE

Standard Chemical Corporation
May Locate Across James
River.

ELKS MAKE PILGRIMAGE

Misses Harris and Phaup Enter-
tain Friends at Forest
Hill Park.

Manchester Bureau, Times-Dispatch,
No. 1102 Hull Street.

It is more than probable that the
city of Manchester will shortly have
another large manufacturing plant added
to its list. The Standard Chemical
Corporation of Richmond desires to
locate here, and Mr. F. L. Harding, who
is at the head of the concern, which
was organized in Richmond, was in
the city yesterday relative to securing
a location.

In company with D. L. Toney, a mem-
ber of the Industrial Committee of the
Council, he visited the various sites
for manufacturing plants throughout
the city.

He states that the proposed plant
will cost about \$15,000, and that a large
number of men and women would be
employed. The corporation will en-
gage in the manufacture of chemicals,
drugs, ink, toilet articles and extracts.

It is certain that the city will offer
every inducement for the concern to
locate here.

Elks On Their Way.

More than twenty-five members of
Manchester Lodge, B. P. O. Elks, left
here yesterday afternoon for Philadel-

phia to attend the national conven-
tion.

The party went by way of West
Point to Baltimore by boat and thence
by rail to Philadelphia. The crowd
anticipate having an excellent time.
Most of them will remain away about
a week.

Grand Jury Summoned.

The July term of the Corporation
Court will convene on Monday, and the
grand jury has been summoned to appear
that day. There is only one
criminal case set for trial, that being
the Myers case, which is set
for the 25th. Those summoned are:

A. F. Holt, John S. Wakefield, J.
Lacy Redford, W. D. Anderson, J. R.
Purdue, Jr., G. S. McFrae, A. A. Ad-
kins, James B. Clopton, B. P. Vaden,
A. J. Daffron, J. M. Graves, and G. W.
Archer, colored.

York, who have been visiting her
brother, T. S. Neisler, of 125 West
Ninth Street, have returned home.
Mr. Irving B. Gary, of Henderson, N.
C., a brother of George Gary, is visiting
relatives in the city.

A marriage license was issued in the
Corporation Court yesterday to Mrs.
Annie E. Armattead, of this city, and
Mr. Benjamin A. Hooper of Richmond.

The funeral of Mrs. Mary Clifford,
who died on Friday at her residence, No.
120 Hull Street, took place from the
home yesterday afternoon at 4 o'clock.

This morning a service was held in
the church of the deceased's wife.

During the eighteen months of work
since their organization over 125
white men have been in the hands of
the agent, Mr. George H. Wiley, and
they have received help and encor-
agement in a practical way that has
been unique in any organization in the
state as well as to the men themselves.

So convincing have the good results
been in the work among the whites
that several months ago the society
decided to attempt a similar work
among the negroes.

For three months this work among
the colored people has been going on

EX-PRISONERS' AID SOCIETY

Excellent Work Being Carried
on in Interest of Released
Convicts.

NEGRO BRANCH OF THE WORK

Society Has Employed a Colored
Worker to Aid Negro Ex-
Prisoners.

One of the benevolent institutions
which goes on quietly in Richmond,
but with work without popular ap-
peal or public notice is the Ex-Pris-
oners' Aid Society of Virginia. The
nature of the work requires a certain
amount of reticence for reasons which
will be obvious. The secretary of the
society, Mr. George H. Wiley, said last
night in talking of the work of the
organization:

"Work among ex-prisoners must be
done without noise or ostentation,
as with the work is done by the ordinary
citizen and an ex-prisoner he imagines
it is even wider than it really is."

The colored gentlemen who compose
the board of managers are among the
leading citizens, not only of Richmond,
but of the State. These gentlemen
meet once every month and go into
the details of the society's work.

The following gentlemen are giving
their time and thought to this work
without compensation: Barnett, presi-
dent; Col. A. S. Buford, Sr., first
vice-president; L. Z. Morris, second
vice-president; G. M. Smithfield, trea-
surer; Mr. George H. Wiley, and
A. B. Williams. Mr. Williams acts as
secretary and treasurer of the asso-
ciation.

Salvation Army Program.

July is the birthday month of the
Salvation Army and the members
of the corps have gone over the
country of Great Britain, holding
salvation meetings.

There will be a special service this
evening at the Salvation Army Hall,
Sixth and Broad Streets. Captain Pow-
ell will read a paper on General
Booth's visit to Japan, his latest for-
warding.

Rev. Dr. G. C. Butts, pastor of
Laurel Street Methodist Church, will
address the Salvation Army meeting
at the open air theater in Byrd Park
this afternoon at 3:30 o'clock.

**LADIES OPPOSE
LIQUOR LICENSE**

J. E. A. Gordon Refused License
on Account of Women and
Preachers' Plea.

Several score of women and five preach-
ers, strong in their militant righteousness
and the firm conviction that temperance
forms one of the roads to salvation, yes-
terday morning visited Henrico Courthouse
and caused the sheriff to issue an order
to close the saloons again, and all that
drowsy inhabitants of that part of Main
Street to wonder what errand they had
come upon.

The action was soon explained. The
ladies and the preachers of the gospel had
come to oppose the granting of a liquor
license to J. E. A. Gordon, who has been
conducting a plowshare of business just
below the courthouse.

There was hardly necessity for a word in
opposition. The appearance of the ladies
and the plowshare preachers was enough
to represent, however, that the neighbor-
hood in which the saloon was located is
quiet and orderly, and that the influence
of the bar might cause young men of
the neighborhood to deviate from the paths
which lead to the church and Sunday
school.

Attorney Edgar English was present to
represent the saloon owner, but he deemed
better to withdraw the application for the
license rather than to awaken ninety-five
Carrie Nations among the fair ones at court.

STATE CONTROL IS BEST FOR ALL ROADS

Nebraska Commissioner Does
Not Agree With Roose-
velt Policy.

-LINCOLN, NEB., July 13.—Railway
Commissioner H. T. Clarke, Jr., to-day
declared himself in accord with Judson
Harmon, of Cincinnati, and other men
who have lately stood for the right of
the State to deal with the corporations,
independently of the federal authorities.

Mr. Clarke as well as William Williams,
expressed opposition to the
plan of President Roosevelt in holding
federal control of railroads. State
control, coupled with the criminal prosecu-
tion of some of the leading corporation
officials, will solve the problem," said
Mr. Clarke.

Chairman Winnett, of the railroad
commission, stated that he approved the
idea of a federal commission having one
member from each State. He favors
criminal prosecution of offending cor-
poration officials, but is opposed to prosecu-
tion of subordinate agents who perform
duties as commanded by higher
officials.

Warrant Half Year Old.

Lawtwin Hartfield was arrested last
night on a warrant sworn out January 4th
of this year, charging him with being dis-
orderly and fighting in Jefferson Park.

The municipality provided music in all
the parks and public squares, and as
the night wore on the entire city
seemed to be dancing and singing in
